

Become a Registered License-Not-Required (RLNR) Child Care Provider with Smithers & Area Child Care Resource & Referral

Providing Child Care in your Home?

An LNR child care provider is an individual providing child care in his or her own home. LNR providers may care for a maximum of two children (or one sibling group) at any one time, in addition to their own children

Enhance your Child Care Program with CCRR:

- Access training and networking opportunities
- Access CCRR information, resources, book and toy library
- Receive CCRR referrals to families seeking care
- Receive support from an ECE child care consultant
- Families who qualify will receive higher child care subsidy rates
- Your RLNR listing appears on the CCRR child care directory
